Humanity First

Sewing Local Communities in Canada

Humanity First assists and supports communities at a national and international level. By investing in issues that matter the most, we are strengthening communities and giving humanity a chance to exceed their potential and help build for a brighter future.

Feed a Family: Humanity First helps those who are struggling for daily sustenance by delivering food to their homes. This year Humanity First served more than 3000 individuals on a regular basis across the GTA. To support this community initiative, various organizations and schools conducted food drives through the year.

Slave Lake Disaster Relief: Humanity First responded to the Slave Lake wildfires disaster in cooperation with Slave Lake Community Services, providing relief and support to the victims of this disaster.

Our Children, Our Future: Humanity First opens doors of opportunities for children of low income families and schools in need of resources to improve their academic performance. Recently Humanity First sponsored books for the library's dual language section of Teston Village Public School.

Feed the Homeless: During the winter holidays Humanity First volunteers serve hot food to hundreds of homeless people in downtown Toronto, and throughout the year volunteers cook and serve hot meals at homeless shelters across Canada.

Seniors Program: Humanity First is offering health and fitness programs for seniors to stay active and engaged in the community and to adapt a healthy and independent lifestyle.

Volunteer Management: Humanity First was a popular charity of choice for many individuals, families, students and businesses. This year more than 1000 volunteers participated in Humanity First activities.

Fundraisers: To support the victims of the natural disasters, Humanity First multiple successful fundraising events across Canada. Additional fundraisers were conducted in partnership with Metrolinx, Go Transit and Toronto Transit.

Humanity First Canada *Across the Globe*

Pakistan Floods: Humanity First provided food, shelter and emergency relief supplies to thousands of flood victims. Under the rehabilitation phase, Humanity First built 400 permanent houses for the victims and drilled 200 water wells.

Brazil Floods: Humanity First Disaster Relief team responded to the Brazil Floods and assisted hundreds of affected families. The relief teams distributed the most needed items for families and children affected by the disaster.

Japan Earthquake: Humanity First is operating its relief camp from the onset of the earthquake and tsunami in Ishinomaki, Japan, and served hot meals and emergency supplies to over 1000 refugees everyday.

Haiti Earthquake: Humanity First mobilized relief teams to the devastating earthquake in Haiti. Over 150 clinicians and logisticians provided medical and emergency support. Humanity First distributed 3300 survival boxes, provided food, family tents and other relief supplies to over 50,000 victims.

The medical relief camp in Port-au-Prince & Seguin has treated over 27,000 medical cases; currently attending to 500 patients a week. Our Seguin team is supporting 18 local orphans, and providing scholarships, English classes and school kits to over 400 children.

Bangladesh: Humanity First built latrines in a remote village of Char Onda in Rangabali district where previously Humanity First built cyclone proof homes.

Philippines: In December 2010, Humanity First distributed food and household supplies to 155 needy families in the cities of Zamboanga and Navotas in Philippines. Humanity First was founded in Philippines after the devastating floods in September 2009.

Nigeria: In Africa, Humanity First is involved in drilling Water Wells in remote villages where there is no fresh water source. Humanity First Canada has drilled 11 boreholes until now in various villages around Nigeria state providing fresh clean water.

Currently, Humanity First is sponsoring orphan children in Nigeria. Each orphan child has been given in the care of a foster family unit.

Humanity First Canada sponsored two IT Centers which are successfully operating in the following locations in Nigeria, Africa: Ayegunle Gbede, Kogi State and Umaisha, Nasarawa State.
