

# HAITI EARTHQUAKE UPDATE

**3rd February 2010** - Earthquake measuring 7.3 occurred on January 12th 2010

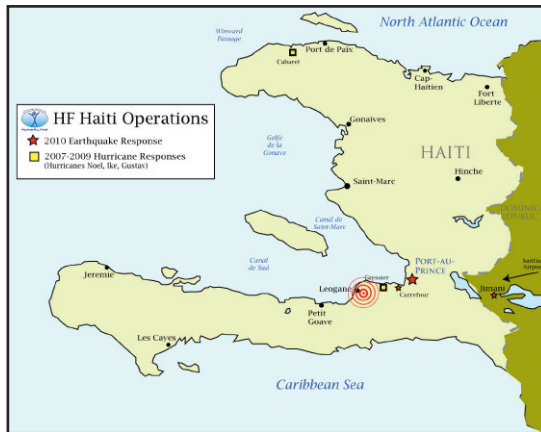

The Humanity First team in Haiti continued to see patients on Tuesday in Jimani, Carrefour and Port-au-Prince. So far, Humanity First has deployed 37 staff in Haiti and has dealt with over **4,000** medical cases. On Monday, 205 patients were seen and on Tuesday, hundreds more were treated. Tragically this included a 3 day old baby that died and the team consoled the family. The HF team will also be working with the UN on an urgent immunization program including DT. The UN has ample supplies, and the HF team will be helping conduct the immunizations.

HF has been shipping in specialist supplies and equipment including Pulse Oxymeters, Orthopaedic supplies and various drugs. We managed to arrange helicopter transport for supplies to be sent to Jacmel.

HF is also now registered to support a local orphanage in collaboration with local authorities and has been supplying food for 20 children for the

past 2 weeks. A medical camp in Da Da Duo has also been assigned to HF covering 5,000 people where medical and other assistance will be provided.

Significant funds are needed to buy supplies of medicines, fluids and other urgent requirements. Please speak to your local HF rep or visit our website [www.humanityfirst.org](http://www.humanityfirst.org) to donate through your nearest Humanity First operation.
